SAC Program  
Review

# Highlights

- Enrollment growth in LDC courses.

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.
  - MTH 105 replaced MTH111A and increased enrollment.

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.
  - MTH 105 replaced MTH111A and increased enrollment.
  - MTH 111H created.

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.
  - MTH 105 replaced MTH111A and increased enrollment.
  - MTH 111H created.
  - All classes with MTH prefix are now part of the MTH SAC.

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.
  - MTH 105 replaced MTH111A and increased enrollment.
  - MTH 111H created.
  - All classes with MTH prefix are now part of the MTH SAC.
  - MTH 243 credit change and future pre-requisite change.

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.
  - MTH 105 replaced MTH111A and increased enrollment.
  - MTH 111H created.
  - All classes with MTH prefix are now part of the MTH SAC.
  - MTH 243 credit change and future pre-requisite change.
  - MTH 84 (LaTeX) course created

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.
  - MTH 105 replaced MTH111A and increased enrollment.
  - MTH 111H created.
  - All classes with MTH prefix are now part of the MTH SAC.
  - MTH 243 credit change and future pre-requisite change.
  - MTH 84 (LaTeX) course created
- ALC and AMP

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.
  - MTH 105 replaced MTH111A and increased enrollment.
  - MTH 111H created.
  - All classes with MTH prefix are now part of the MTH SAC.
  - MTH 243 credit change and future pre-requisite change.
  - MTH 84 (LaTeX) course created
- ALC and AMP
  - ALC (Alternative Learning Centers) courses allow students the opportunity to work on the math they need to work on for credit (but not for pre-requisites).

# Highlights

- Enrollment growth in LDC courses.
- Curricular Changes
  - Condensed MTH 111B and MTH 111C into MTH 111.
  - MTH 105 replaced MTH111A and increased enrollment.
  - MTH 111H created.
  - All classes with MTH prefix are now part of the MTH SAC.
  - MTH 243 credit change and future pre-requisite change.
  - MTH 84 (LaTeX) course created
- ALC and AMP
  - ALC (Alternative Learning Centers) courses allow students the opportunity to work on the math they need to work on for credit (but not for pre-requisites).
  - AMP (Accelerated Math Placement) allows students to review material and gives them the chance to take the placement exam again for (possibly) higher placement.

# The Future of the Math SAC

While Math in Context I is envisioned as the general entry course, a basic arithmetic course would still be needed as an entry course and as a supplemental course for some students enrolled in Math in Context I

in Context I (STEM-  
ed 'projects' course)

Linked\*

2-credit CG course for stu-  
dents enrolled in Math in Con-  
text I

in Context II:  
TE Modules  
inance Modules  
itizenship Modules

StatPath/CalcPath I (com-  
bined course)
